The company's registered address is its auditors address, 222 Ontdekkers Road, Roodepoort.

It is not known what this company does, although it seems it was acquired by Mkhwanazi from Messrs Patel & Hira towards the end of June 2024, when Patel & Hira both resigned. It is not known how much Mkhwanazi paid for this company, or if he declared it to SAPS.

Niranjan Mohanlal PATEL, ID **6702035231088** Married to Kalpana Prembhai PATEL

Niranjan PATEL was convicted of Fraud on **Pretoria Central CAS 779/5/2009**, for submitting forged documents to the Law Society – (NOW LPC)

Patel also now operates as a Business Rescue Practitioner, despite his fraud conviction.

This raises the following questions: -

1. Did Mkhwanazi know he was buying a company from a convicted fraudster?
2. Did Mkhwanazi apply for and obtain permission from SAPS for this private business venture which he acquired from a convicted fraudster?
