1.

I am a Captain in the South African Police Service with persal number 7026925-4 attached at Crime Intelligence Head Office at. My contact details are 061 696 5006.

2.

On the 17th January 2023 I was deployed in Eastern Cape East London and formed part of the Task Team responsible for the investigation of the University of Fort hare cases as the information collector.

3.

During the course of the investigation I met Isaac Plaatjies for the first time when I attended a meeting in his office. The purpose of the meeting was to gather information from a contact who was brought in by Isaac Plaatjies. The said contact provided information about one of the persons of interest in the investigations. It was on that particular day where we exchanged numbers.

4.

Isaac Plaatjies was the head of investigations at UFH so from time to time I had to communicate with him via WhatsApp messages and calls for information that the task team needed from UFH.

5.

Isaac Plaatjies would call and check up on me from time to time and he would ask how i was doing and I would inform him that work was fine and that's when I got to share with him my personal life issues. I was comfortable to share with him my personal issues as I took him as an older brother as I was communicating with him using my home language which is Afrikaans.

6.

On the 15th August 2023 I unfortunately lost my grandmother, after that when Isaac Plaatjies called, he could hear I was not well. He asked what was wrong, I then shared the bad news with him. He then shared his condolences and offered to pay for my flight ticket. He said I do not have to drive to Pretoria as he heard I was not well, that is when I sent him my capitec account number 1727401776.

7.

On the 17th August 2023 i received R2 500.00 from Isaac Plaatjies, I used that money to buy a flight ticket. On the 23rd September 2023 I received a WhatsApp message from Isaac Plaatjies saying he wanted to bless my kids and he sent R1 500.00. On the 16 November 2023 it was my birthday, Isaac Plaatjies called and wished me well and said he was going send me something to celebrate, on the date I received R5 000.00 into my Capitec account.

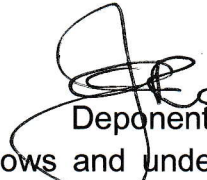

8.

On the 17th November 2023 the task team arrested Isaac Plaatjies. All along i treated him as a brother I did not know he was involved in any of the cases we were investigating.
