

SWORN STATEMENT

I, the undersigned [REDACTED] Czech Passport Number [REDACTED] state under oath in English (the contents hereof having been fully interpreted to me in Czech by a qualified Interpreter Mrs Eva Motyckova in Prague) as follows:

1

I make this statement freely, voluntarily and without any undue influence in accordance with section 204 of the Act. Further, insofar as it may be necessary, subject to the provisions of section 105A of the Act; having been informed that my statement may incriminate me in various offences and notwithstanding the aforesaid, I may be called as a witness on behalf of the prosecution and further be required to answer questions which may incriminate me. However, if in the opinion of the court, I am found to have answered all questions frankly and honestly I will be discharged from prosecution on such charges or any competent verdict thereon. Further that the contents hereof may not be utilised in any manner or be regarded as admissible evidence in any trial against me.

2

I am a Czech citizen and am currently living in Prague. I was during the period of September 2010 until 2012-02-03 living in South Africa and during that period I was working for Radovan Krejcir ('Krejcir'). I left South Africa, because I could see that Krejcir was getting involved in so much criminal activity that, sooner or later, I would be dragged into it and even possibly murdered, like so many of his other 'associates'. As a consequence of my working for Krejcir, I had intimate knowledge of some of his criminal dealings. Krejcir would communicate with me directly face to face, or via telephone from his phone on number 071 700 0000 to my phone, I had many telephone numbers but I cannot now remember what they were.

3

I had been in South Africa only a few months, and had realised who this Krejcir person was in South Africa. I knew him from the Czech Republic, but he wasn't such a big shot there, not like the big psychopath he became in South Africa. I soon realised he was a dangerous man and would kill everyone who crossed him. Krejcir would make many deals with people but would not give them their money back and would threaten to kill them or even have them killed. There are many people who he wanted to kill in South Africa, he told me who they are. Some of them are already dead.

4

This statement deals with the murder of Cyril Beeka ('Beeka'). When Krejcir introduced me to Beeka, he said that Beeka was his friend and they were going to do business together. Thereafter I met Beeka a few times in Bedfordview and at "The Grand" situated at Corner of Main Rivonia Road and 11th Avenue, Rivonia, Johannesburg.

5

One day I brought money for Krejcir, it was about R600 000.00 (six hundred thousand rand) or R900 000.00 (nine hundred thousand rand), I cannot now remember. I got the money from Michael Arsiotis ('Arsiotis') I think he brought it from Moneypoint, to Harbour Restaurant and I put it in my car and took it to Kloof Road and hid it. Beeka had told Krejcir that he could buy Kruger Rands so Krejcir told me to give this money to Beeka, Arsiotis then took the money. Beeka and Arsiotis then left and went somewhere to buy these Kruger Rands. I was present when they left.

6

I was at Krejcir's house with Krejcir when Arsiotis returned from buying the Kruger Rands with Beeka. Arsiotis said to Krejcir that there was a problem and that he and Beeka got tricked and did not get the Kruger Rands, but had handed over the money. Krejcir was angry because of this and

knew that Beeka was behind the 'trick'. Krejcir said we would have to 'sort it out' with him, which I knew meant to kill him. He said he would not do it 'now' because he had other business to finish with him first. For example some gold business in the DRC and guarding of ships from Pirates.

7

After the incident with Beeka, Krejcir and Arsotis flew to Cape Town, for a birthday party. Krejcir and Beeka then had a fight at Beeka's birthday party. Beeka beat up Krejcir, and as a result Krejcir went to hospital. Krejcir's ego would have been very badly bruised by this, as he was big talk, but if you attack him he would collapse. He had been publicly humiliated and wanted revenge. This is the way Krejcir is, if he gets humiliated, he wants to kill that person, or beat him badly.

8

Krejcir asked me to go to Cape Town and kill Beeka. He said he would arrange people to help me. I said I didn't want to arrange this, and Krejcir told me not to worry and that he would arrange other people to do it.

9

Krejcir told me that he then started talking with Mark Lifman (*'Lifman'*) and Donkie Booysen (*'Booyesen'*). I believe that they killed Beeka on Krejcir's instruction. After Beeka was killed, I flew to Cape Town with Krejcir and he met with Lifman and Booysen and another big coloured guy. As a result of Lifman having killed Beeka, or arranging for him to be killed, Krejcir was indebted to him. Krejcir in my opinion 'persuaded' Lifman to kill Beeka, to open Cape Town up for Krejcir and Lifman to control all the night clubs and drugs in Cape Town. As part of this new 'partnership', Krejcir said he would 'invest' in some property project of Lifman and this was agreed. However, Krejcir did not invest because he had no money, and then there was bad blood between Krejcir and Lifman. After this meeting, Krejcir said *'we must get rid of this motherfucker, or we'll have a big problem'*.
