

I, the undersigned, [REDACTED] date of birth [REDACTED], state under oath in English as follows:

1

This is further to my statement of even date. There are one or two further details I have remembered.

2

After the events of the various visits to Prague, in respect of the list of three persons that Krejcir wanted to be killed, I met once more with Krejcir's mother in South Africa. We got into a conversation about the weapon, the Scorpion, and why it would not work. She said words to the effect that she was tired digging this gun up in her garden for him, yet he did not manage to do anything with it. I took this to mean that she stored the gun for him in her garden somewhere and got it out when he wanted to have someone killed.

3

In connection with a guy by the name of [REDACTED] I was aware that Krejcir also wanted him to go to Europe to 'take care' of someone. I do not know who the person was that Krejcir wanted killed, but [REDACTED] told me that I should tell George that he was not interested, as he did not do that kind of stuff. I duly passed the message on, to both Smith and Krejcir.

4

I am aware that an amount of either R5,000 or R10,000 was paid to a big black lady, who worked for Home Affairs and that, in return she arranged residence papers for Krejcir's wife.

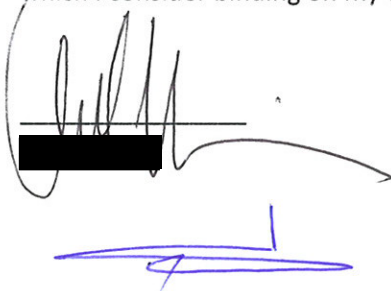

5

I was advised on more than one occasion, by Krejcir that he kept various weapons under the ground at his Vaal River home. He also kept weapons at his house.

6

If I am given immunity from any prosecution in connection with any of the things I have disclosed, as well as paid to travel and for my time, I will gladly return to South Africa to testify in a court of law in connection with these things.

I know and understand the contents of this statement. I have no objection to taking the prescribed oath, which I consider binding on my conscience. Sworn at Malaga this 30th day of May 2011
