### Directors' Responsibilities and Approval

---

The directors are required by the Companies Act 71 of 2008, to maintain adequate accounting records and are responsible for the content and integrity of the financial statements and related financial information included in this report. It is their responsibility to ensure that the financial statements fairly present the state of affairs of the company as at the end of the financial year and the results of its operations and cash flows for the period then ended, in conformity with the International Financial Reporting Standard for Small and Medium-sized Entities.

The financial statements are prepared in accordance with the International Financial Reporting Standard of Small and Medium-sized Entities and are based upon appropriate accounting policies consistently applied and supported by reasonable and prudent judgements and estimates.

The directors acknowledge that they are ultimately responsible for the system of internal control established by the company and place considerable importance on maintaining a strong control environment. To enable the directors to meet these responsibilities, they set standards for internal control aimed at reducing the risk of error or loss in a cost effective manner. The standards include the proper delegation of responsibilities within a clearly defined framework, effective accounting procedures and adequate segregation of duties to ensure an acceptable level of risk. These controls are monitored throughout the company and all employees are required to maintain the highest ethical standards in ensuring the company's business is conducted in a manner that in all reasonable circumstances is above reproach. The focus of risk management in the company is on identifying, assessing, managing and monitoring all known forms of risk across the company. While operating risk cannot be fully eliminated, the company endeavours to minimise it by ensuring that appropriate infrastructure, controls, systems and ethical behaviour are applied and managed within predetermined procedures and constraints.

The directors are of the opinion, based on the information and explanations given by management, that the system of internal control provides reasonable assurance that the financial records may be relied on for the preparation of the financial statements. However, any system of internal financial control can provide only reasonable, and not absolute, assurance against material misstatement or loss.

The directors have reviewed the company's cash flow forecast for the year to 28 February 2021 and, in the light of this review and the current financial position, they are satisfied that the company has or has access to adequate resources to continue in operational existence for the foreseeable future.

The financial statements set out on pages 5 to 13, which have been prepared on the going concern basis, were approved by the board on 30 October 2020 and were signed on its behalf by:

PR O'Sullivan

D Sotirova

A Brosnan

G de Beer

## PRACTITIONER'S COMPILATION REPORT

To the director of Forensics for Justice (Non Profit Company)

We have compiled the accompanying financial statements of Forensics for Justice (Non Profit Company) based on information you have provided.

These financial statements are presented in accordance with International Financial Reporting Standards (for sme's). The financial statements comprise the statement of financial position of Forensics for Justice (Non Profit Company) as at February 29, 2020, and the statement of comprehensive income and statement of changes in equity for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management is responsible for these financial statements including adoption of the applicable financial reporting framework, and for the accuracy and completeness of the information used to compile the financial statements.

We performed this compilation engagement in accordance with International Standard on Related Services 4410 (Revised), *Compilation Engagements*. This Standard requires that we comply with quality control standards and relevant ethical requirements, including ethical principles of integrity, objectivity, professional competence and due care.

A compilation engagement involves applying expertise in accounting and financial reporting to assist management in preparing and presenting financial information. A compilation engagement does not include gathering evidence for the purpose of expressing an audit opinion or a review conclusion. Accordingly, we do not express an audit opinion or a review conclusion on these financial statements.

## Forensics for Justice (Non Profit Company)

(Registration number 2015/259621/08)

Annual Financial Statements for the year ended 29 February 2020

### Accounting Policies

---

#### 1. Presentation of Annual Financial Statements

The Annual Financial Statements have been prepared in accordance with the International Financial Reporting Standard for Small and Medium-sized Entities, and the requirements of the Companies Act of South Africa. The Annual Financial Statements have been prepared on the historical cost basis, and incorporate the principal accounting policies set out below. They are presented in South African Rands.

These accounting policies are consistent with the previous period.

#### 1.1 Significant judgements and sources of estimation uncertainty

In preparing the Annual Financial Statements, management is required to make judgements, estimates and assumptions that affect the amounts represented in the Annual Financial Statements and related disclosures. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results in the future could differ from these estimates which may be material to the Annual Financial Statements.

#### 1.2 Financial instruments

##### Financial instruments at amortised cost

These include loans, trade receivables and trade payables. Those debt instruments which meet the criteria in section 11.8(b) of the standard, are subsequently measured at amortised cost using the effective interest method. Debt instruments which are classified as current assets or current liabilities are measured at the undiscounted amount of the cash expected to be received or paid, unless the arrangement effectively constitutes a financing transaction.

At each reporting date, the carrying amounts of assets held in this category are reviewed to determine whether there is any objective evidence of impairment. If there is objective evidence, the recoverable amount is estimated and compared with the carrying amount. If the estimated recoverable amount is lower, the carrying amount is reduced to its estimated recoverable amount, and an impairment loss is recognised immediately in profit or loss.

##### Financial instruments at cost

Commitments to receive a loan are measured at cost less impairment.

Equity instruments that are not publicly traded and whose fair value cannot otherwise be measured reliably without undue cost or effort are measured at cost less impairment.

#### 1.3 Revenue

Interest is recognised, in profit or loss, using the effective interest rate method.

Project funds and donations are accounted for on receipt and no provision is made for project funds and donations intimated.

#### 1.4 Cash and cash equivalents

Cash and cash equivalents comprise cash on hand and current bank accounts which are all available for use by the company unless otherwise stated.

**10. Event after the balance sheet date**

In December 2019, a novel strain of COVID-19 was reported to have surfaced in China. Since then, the virus has spread to more than 100 countries, including South Africa. On 23 March 2020, President Cyril Ramaphosa announced a new measure to combat the spread of COVID-19 in South Africa - a three week nationwide lockdown with severe restrictions on travel and movement. This was later on extended for another two weeks. The President announced a gradual reopening of the economy after this initial five weeks of lockdown.

The director has reviewed the cash flow for the year to February 2021 and is satisfied that she has access to adequate resources to continue operational existence for the foreseeable future.
